The **PAD amounts** for those in the program starting with your November 5th payment is \$44.04 for RNs and \$54.81 for NPs per month.

### New Database and Website

The College has had a very busy 2 months getting everyone through the renewal process. We have had lots of feedback about the process and the new database and we anticipate an easier time for everyone next year. The majority of registrants were impressed with the comprehensiveness of the database and the opportunity to plan for Continuing Competence looking forward.
