### Welcome to the new Coordinator of Regulatory Services

Please extend a warm welcome to Jillian Mosher BScN, RN, MN to the role of Coordinator of Regulatory Services here at CRNPEI. Jillian has been a registered nurse for 23 years with experience in pediatrics, education, public health, and management.

### Continuing Competence Program Audit

An audit of the 2021-2022 Continuing Competence Program will happen during the month of June. Five percent of registrants will receive an email to complete this mandatory audit. Audit requirements are to correct any issues with the 2021-2022 learning plan based on feedback received in your audit email and to provide proof of currency of practice. A form will be attached to the audit email for your employer to complete and submit to the College.

This audit is not part of the 2022-2023 CCP that is completed during renewal.

Emails will go out to those randomly selected the week of June 6, 2022.

### Nurse Practitioner Entry-Level Competencies

The Canadian Council of Registered Nurse Regulators (CCRNr) has been working on a national regulatory framework for NPs. Part of this work involves updating the NP Entry-Level Competencies (ELCs). The new ELCs will go out for consultation to key stakeholders and all Canadian NPs in June. NPs please watch your emails for the validation survey coming soon.

### CRNPEI Website

The CRNPEI website contains resources and information to support your practice. Policies, practice directives, and other resource documents can be found under the Professional Practice tab. Resources are developed based on practice questions from our registrants. If you have a practice question and need further assist, please do not hesitate to contact the College.
