Welcome

Please welcome Debra Smith as the Coordinator of Professional Practice for CRNMPEI. Debra has a diverse background in nursing education, primary care and long term care. Debra began her position on July 10, 2023.

Registered Nurse Regulations

The 2018 Registered Nurse Regulations were repealed and a new set of Registered Nurse Regulations came into force on July 12, 2023. Please take some time to review the new [regulations](#).

Important changes

- Nurse Practitioners are no longer Registered Nurses in the Extended Class. Nurse Practitioner is its own sub-register.
- The Graduate Class of registration has been removed. New graduates will now hold a Provisional Class Registration. This applies to graduates from a BN or a NP program.
- Currency requirements for registration renewal for registered nurses have changed to 450 hours in the last 3 years.

Registration Renewal

Registration Renewal opens September 1, 2023 for the registration year 2023-2024. Please review the [2023 Registration Renewal Guide](#) to assist you in completing your renewal. Any individual that has registered with CRNMPEI for the first time in the 2022-2023 registration year must start a Continuing Competence Plan for the 2022-2023 registration year. Email reminders will begin prior to the renewal window opening. The deadline for renewal is October 1, 2023. Any registration renewals completed between October 2 and October 31 are subject to the \$100 late fee. RHPA requires all registrants to apply for renewal 30 days before the expiry of their current certificate of registration.
